

# Local Course Suggestions

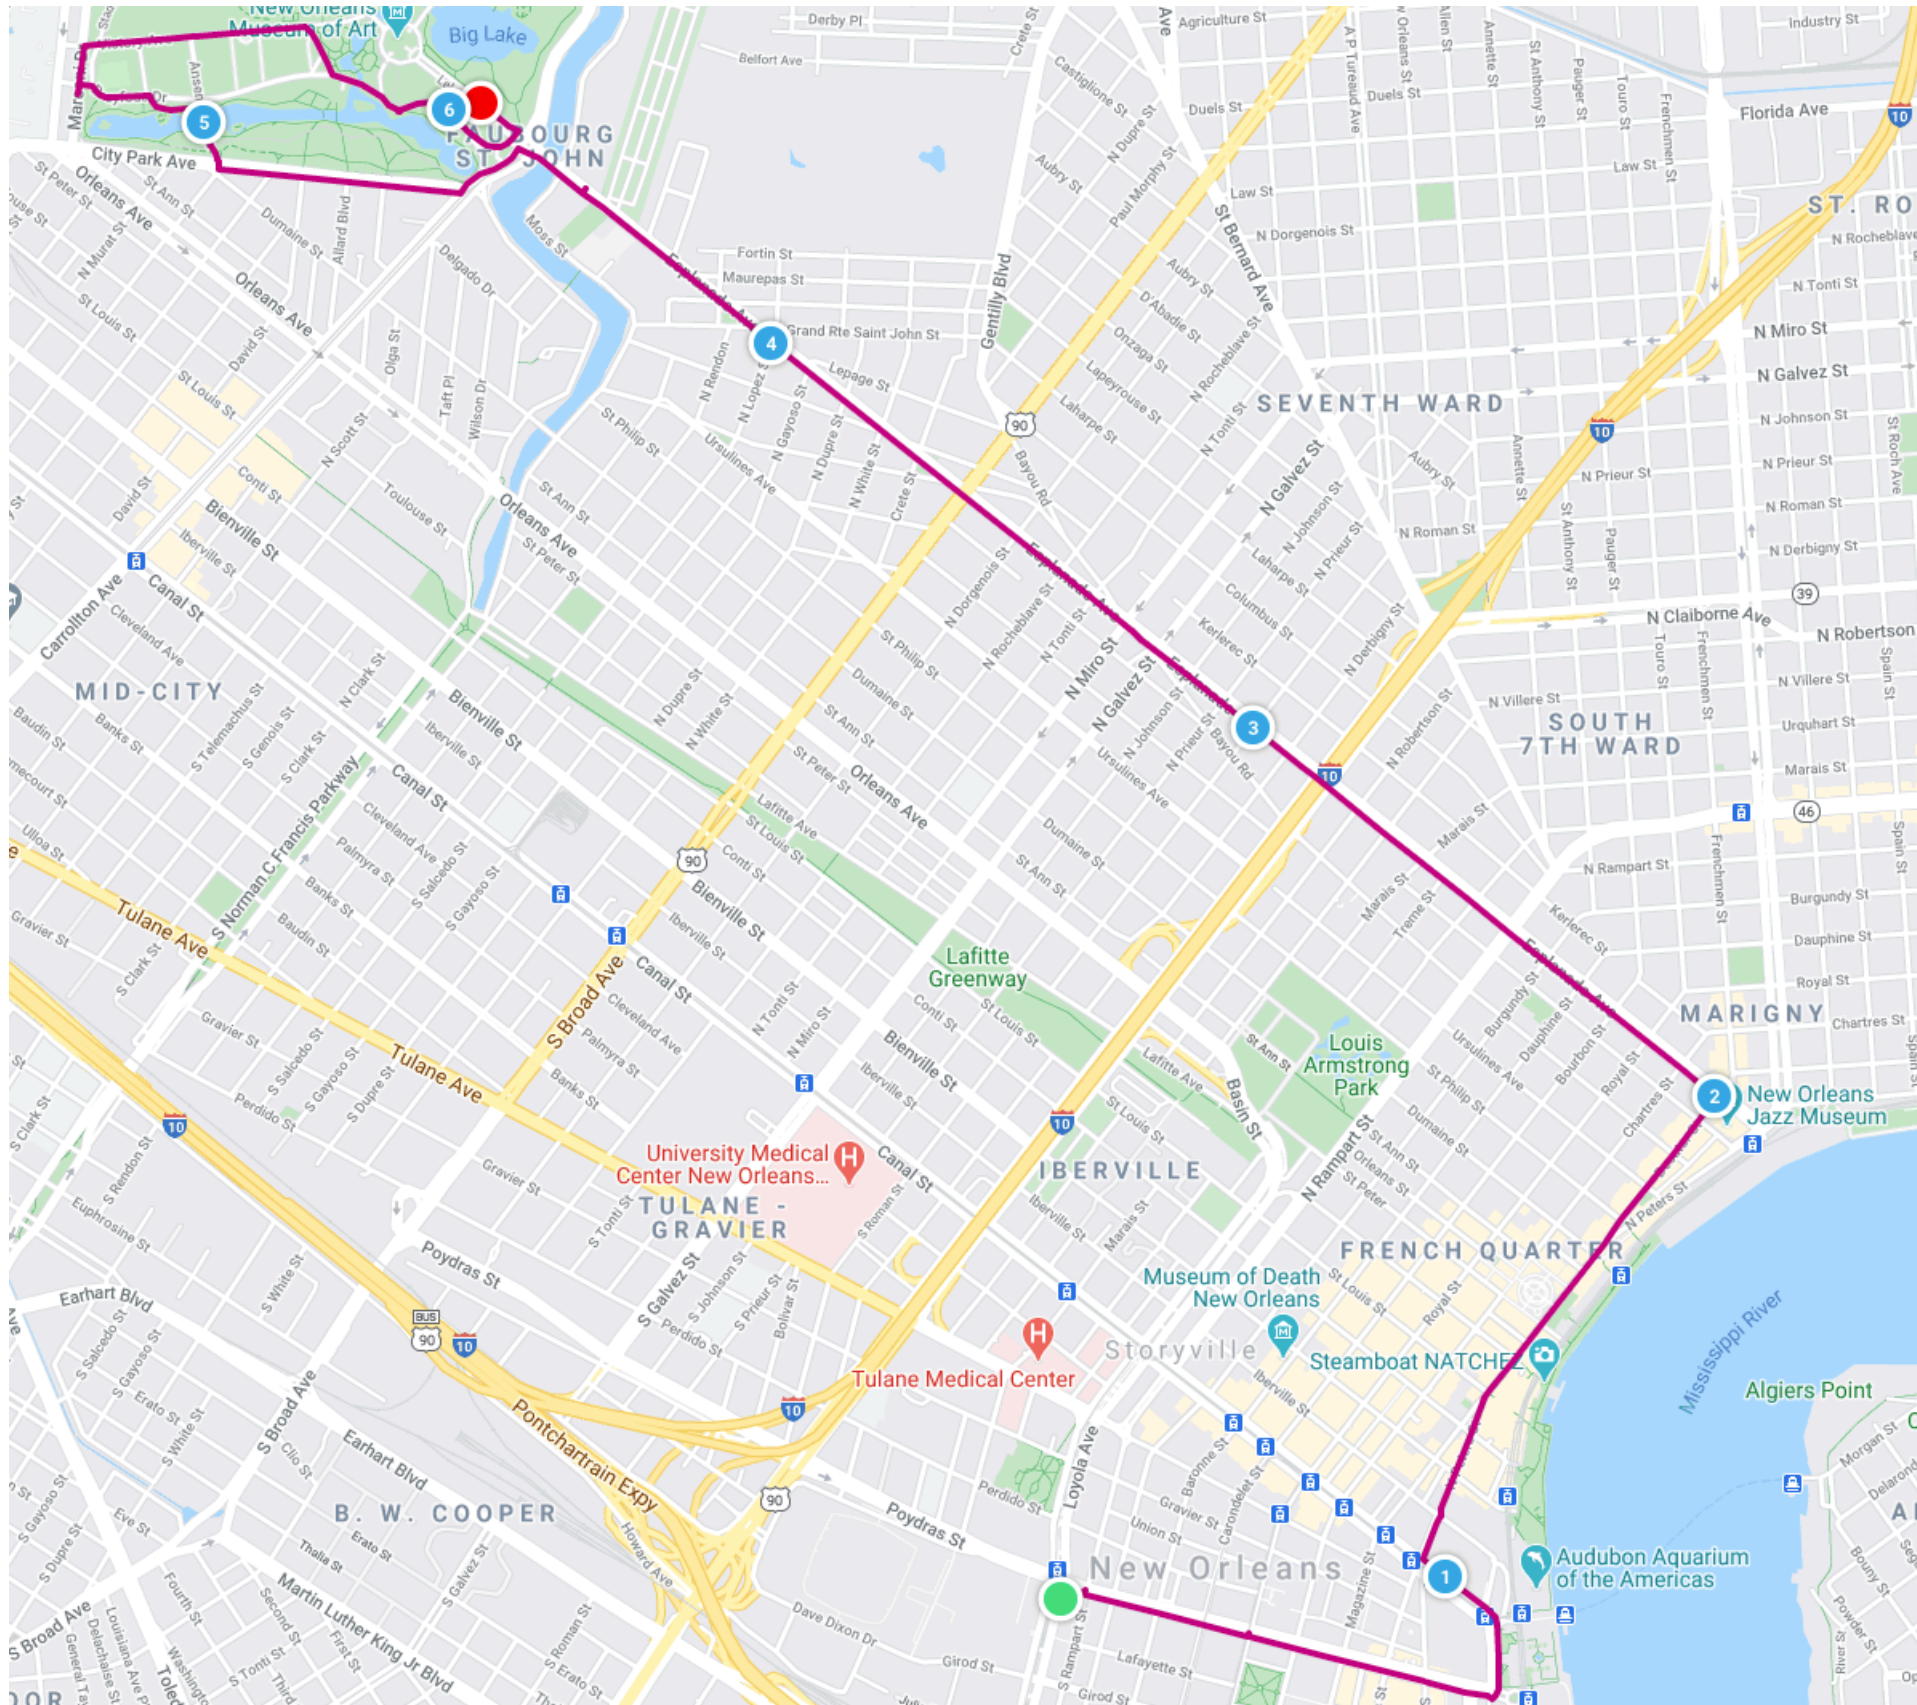

**We are offering the following course suggestions to complete the 2021 Allstate Sugar Bowl Virtual Crescent City Classic!**

**These are recommendations, not requirements to submit your finish time.**

**Runners may use alternate routes, or run on treadmill to complete 6.2 miles**

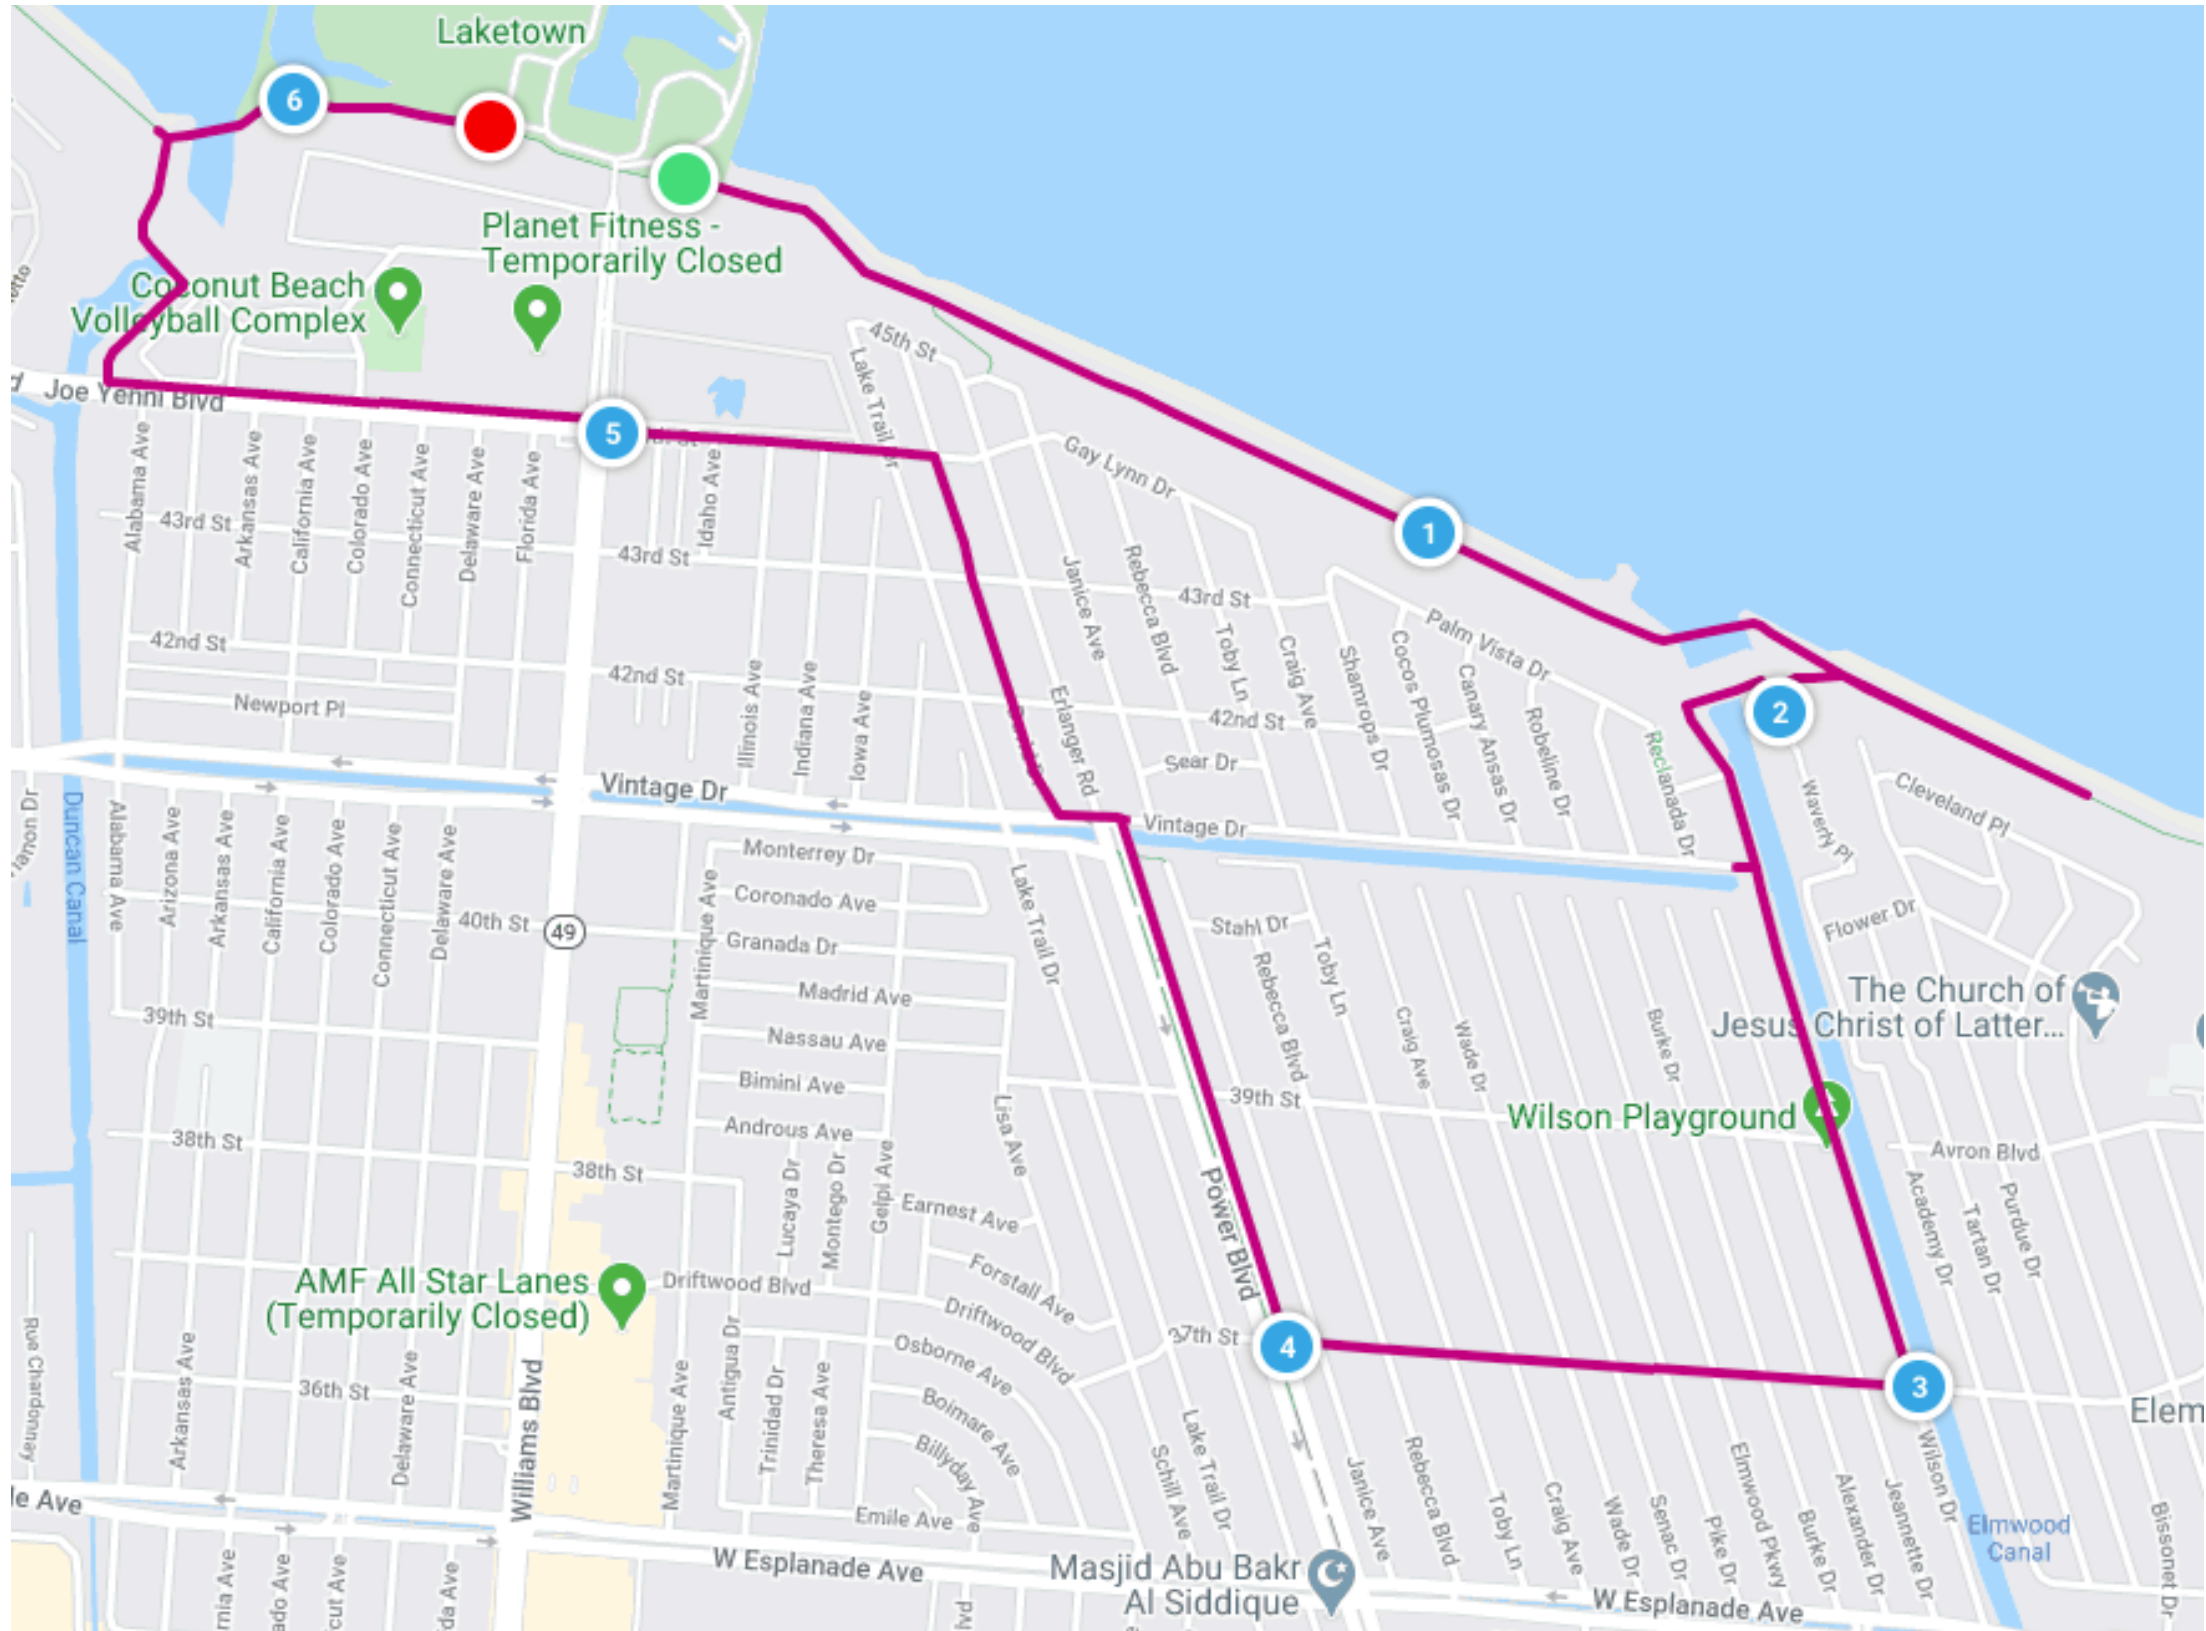

**Please note that is imperative to NOT organize groups to complete the 10k. The only way that we are going to stem this pandemic is through personal responsibility. We urge our participants to run safely.**
